

INWESTYCJE

inPZU access activation

Go to the in.pzu.pl website and click on the **SIGN IN** button in the top right corner. Select the blue inPZU tile and start the process.

STEP 1

→ Click **ACTIVATE ACCESS** on the right-hand panel.

The screenshot shows the login page with two main panels. The left panel is titled 'Login' and contains fields for 'Login' and 'Password', a 'LOGIN' button, a link for 'I forgot my login or password', and an option to 'or login via: Login.gov.pl'. The right panel is titled 'Activate access' and contains a checkmark icon, the text 'Do you have a TFI PZU product and is this your first time here?', an 'ACTIVATE ACCESS' button, and a link for 'Check the manual'. Below this panel are links for 'Problems signing in?' and 'Security rules'. A dashed blue box highlights the 'Activate access' panel, with a line pointing to the instruction on the left.

STEP 2

→ Enter login or PPK account number or register number.

→ Fill in your PESEL or date of birth, if you do not have a PESEL.

In case you don't have any of the above identifiers, **you may check the hint where you can find one** or contact our helpline on 22 640 05 55.

The screenshot shows the 'Activate access' form. It has two input fields: 'Login / PPK account number / Register number' and 'Personal Identification Number (PESEL)'. There is a checkbox for 'I do not have PESEL number'. Below these are 'CANCEL' and 'NEXT' buttons. A dashed blue box highlights a section titled 'Check where you can find your login details' which contains three buttons: 'Login', 'PPK account number', and 'Register number'. Below this section is a link: 'I do not have a login or I do not know the account/register number'. A line points from the information icon to this section.

STEP
